

Ashish Jha

Email: akjha0770@gmail.com | Phone: (91) 9079953747 | Bhiwadi, Rajasthan, India

Professional Summary

Frontend developer with experience building responsive web applications using HTML, CSS, and JavaScript. Passionate about clean code and intuitive UI design.

Projects

Responsive Resume

Tech Stack: HTML5, CSS3

- This resume is built using pure HTML and CSS to showcase both my technical skills and design sense.
- It includes sections About Me, Skills, Projects, Education, and Contact—organized in a clean, responsive layout.

ShopLane – E-commerce Website

Tech Stack: HTML, CSS, JavaScript

- Built a fully responsive e-commerce site with product listing, filtering, and shopping cart features.
- Designed a modern and clean UI using HTML and CSS for desktop and mobile users.
- Implemented dynamic cart, search, and filtering with vanilla JavaScript.
- Integrated Firebase Authentication for secure user login and signup.
- Used Firebase Firestore to store product and order data with real-time sync.
- Deployed on GitHub Pages with SEO-friendly structure and performance optimizations.
