WORK EXPERIENCE

CodeAlpha

Full Stack Intern

1 Jan 2025 to 31 Jan 2025

- Worked on developing the frontend of an eCommerce website using HTML, CSS, and JavaScript. Built responsive UI components, implemented product pages, cart features, and checkout flow. Gained hands-on experience in real-world web development and improved skills in clean code practices and user-centered design.

EDUCATION

Maharishi Dayanand University, Rohatk

BCA - 6 GPA

June 2024

- Skilled in HTML, CSS, JavaScript, C++, and Java, with a solid understanding of data structures and databases.
- Built responsive web interfaces and learned software development fundamentals.
- Passionate about creating user-friendly applications and continuous learning.

PROJECT

DevPost

October 2024

- Developed a frontend social chat app using HTML, CSS, and JavaScript for a Devpost project.
- Designed a clean, responsive UI with chat messages, user avatars, and scrollable conversation view.
- Added interactive features like liking messages, inserting emoji reactions, and a basic comment/reply system to simulate real-time social interaction.

Ecommerce Platform

January 2025

- Developed the frontend of an eCommerce platform using HTML, CSS, and JavaScript.
- Built responsive product listings, product detail pages, and shopping cart functionality.
- Designed user-friendly navigation, search/filter options, and a smooth checkout flow.
- Focused on clean UI, intuitive user experience, and mobile responsiveness.
